

Decision: Purchase Authorization – Supply of Rail Track Switch Parts

Meeting Date: February 25, 2016

The Board approved the recommendation in the staff report, as follows:

“It is recommended that the Board authorize the award of a contract for the supply of rail track switch parts to Irwin Transportation Products (Irwin) for a three year period in the upset limit amount of \$5,154,000 USD including applicable taxes (which is equivalent to approximately \$6,910,000 CAD using the exchange rate of 1.00 USD = \$1.3407 CAD which was in effect at the time of bid evaluation on December 10, 2015)”.
