Decision: Procurement Authorization – Supply of Various Detroit Diesel and Allison Transmission Bus Parts

Meeting Date: March 23, 2016

The Board approved the recommendation in the staff report, as follows:

“It is recommended that the Board authorize the award of an inventory contract for the supply of genuine OEM Detroit Diesel and Allison Transmission bus parts for the period of approximately April 2016 to April 2019 to Wajax Power Systems in the upset limit amount of \$34,329,000 including applicable taxes on the basis of single source”.
