

Decision: 2017 – 2016 TTC Capital Budget

The Board adopted the recommendation in the staff report, as follows:

“It is recommended that the Board:

Approve the 2017-2026 TTC Capital Budget (including the Toronto-York Spadina Subway Extension and Scarborough Subway Extension) as summarized in Appendix A; noting that there is \$2.0 billion of Unfunded Projects”.

The Board also adopted the following motions:

- i) Request TTC staff to work with the Chair of the TTC on a reporting process for Commission tracking of major capital projects.
- ii) That staff be requested to report back on deleting the TTC specific 40% Canadian content requirement, in favour of the provincially mandated 25% Canadian content requirement for bus purchases.
