

# Driver's abstract requirements

## The following table outlines our requirements for application:

Number of offences	Demerit points	Acceptable or unacceptable
0 or 1	0 to 3	Acceptable to submit application
2	0 to 2	Acceptable to submit application
2 or more	3 or more	Unacceptable – must wait to apply when abstract is acceptable
3 or more	0	Unacceptable - must wait to apply when abstract is acceptable

**Note:** There should be no criminal convictions or suspensions of any kind on your driver's abstract.

A driver begins with zero demerit points and accumulates demerit points for convictions.

Please do not submit a driver's abstract with your online application. However, if you are uncertain if you meet the standards outlined above, the process for obtaining driver's abstract information is available on the [Ministry of Transportation website](#). If you are selected to attend an information session you will be required to produce an original of your three-year Driver's Abstract.
