TTC Family of Services

Connecting you to more accessible travel options

A Family of Services trip is when a Wheel-Trans customer uses conventional transit (subway, bus or Community Bus) for all or part of their journey. Wheel-Trans customers can choose to book Family of Services trips that connect them to subway stations and select bus stops (*Shared Wheel-Trans Stops*).

Community Bus Service

Community Bus stops at the front-door of local groceries, shopping and community centres, health care facilities and seniors' residences. Travelling on Community Bus is hassle-free. There is no need to book your trip because the bus runs on a schedule. Learn more about Community Bus at ttc.ca/communitybus or to receive a pamphlet with route details, call Wheel-Trans Customer Service at **416-393-4111**
