Notes:

Ridership information is from from automatic passenger counting equipment on buses, or from older detailed manual passenger counts that are taken approximately every other year.

Many other counts are taken each year but do not include all-day ridership information, and are not included here.

Ridership information for some of the 900-series express routes have been included in the local routes, where noted.

Ridership includes contract services outside of Toronto.

Scheduled hours and km are current to November 2018.

Streetcar routes are numbered 501 to 512. All other routes are bus routes.

1 - This streetcar route was temporarily operated with buses.

2 - This streetcar route was temporarily operated with a mixed fleet of streetcars and buses.

Notes:

Ridership information is from from automatic passenger counting equipment on buses, or from older detailed manual passenger counts that are taken approximately every other year.

Many other counts are taken each year but do not include all-day ridership information, and are not included here.

Ridership information for some of the 900-series express routes have been included in the local routes, where noted.

Ridership includes contract services outside of Toronto.

Scheduled hours and km are current to November 2018.

Streetcar routes are numbered 501 to 512. All other routes are bus routes.

1 - This streetcar route was temporarily operated with buses.
